description

The Renaissance Project offers high-standard apartments in an exceptional location just a few steps from the center of Luxembourg city. Close to all amenities and access to the motorway, the Project also offers an excellent connection to public transportation, in particular to the future West line of the tram.

The project consists of two individual buildings linked by a double common basement where studios and apartments of various sizes are offered. A contemporary development guarantees a wide variety of dwellings which offer living surfaces for all types of buyers.

One of the Renaissance Project's assets is certainly its SMART BUILDING design.

The building provides its residents an online "Packstation" system which notifies you of the delivery of your parcels and allows you to drop them off for shipping.

Price excluding parking and including 3% VAT (subject to approval by the "Administration de l'Enregistrement et des domaines")

Indoor parking spots available for 60.000€ including tax of 17%.

The agency property* offers selected objects tailored to your needs.
